Read Carefully Before Ordering

Orders. Orders should be sent as soon after receiving this price-list as possible. It will help us in making prompt delivery at planting time.

Terms. One-quarter the amount when order is sent, balance before shipment is made. No order will be filled until we receive full amount, no matter what your financial standing.

Claims. Claims, if any, must be made immediately upon receipt of stock. No attention will be given claims received after stock has been in purchaser's hands long enough that through neglect it may have perished.

True to Name. While we use every precaution to have all stock true to name, (and we believe we come as near doing this as anyone in the business) and upon proper proof will replace any stock proving otherwise, it is understood and agreed that we will not be held responsible any farther than this.

Location. We are located on the Cleveland-Buffalo highway one mile east of Mentor village. On Electric R. R. between Stop 65 and 66. Twenty-six miles east of Cleveland.

Reference. As to our reliability write the Cleveland Trust Company, Painesville, Ohio, enclosing a two-cent stamp for reply.

Remarks. Since the advent of the automobile and good roads the shipping of nursery products by rail is decreasing yearly. People are also recognizing the fact that better results are obtained where the local nurseryman is patronized. While we still ship some stock, with the exception of bulbs and perennials, the bulk of our business is done within a radius of one hundred miles by patrons who drive here for their stock. We are issuing a separate list of *Gladiolus* and a few other items that we expect to market outside of our local area. Items in this other list are priced at prepaid delivery prices. Items in this list are priced two ways, namely, to local trade who call here for stock and require no packing, and to trade whose stock requires packing for shipment. In no case does prices in this list include transportation charges unless otherwise noted. Where items are wanted by mail money must be advanced for postage. If too much is sent we will return balance.
